Sabina Dacić-Lepara
TAC Chairman

May 27, 2024, Cavtat

MEETING AGENDA

May 27, 2024, Monday 10th TAC Meeting

09,00-10,00	Registration + Coffee	All
10,00-10,10	Opening Speech	Edhem Bičakčić
10,10-10,20	Welcome speech by the host	Goran Slipac
10,20-10,30	Information from joint MB+TAC Meeting in Ljubljana	Sabina Dacić-Lepar

10,30-12,00	5th SEERC Conference in Sarajevo <ul style="list-style-type: none"> Conference Venue Final definition of topics for the 5th SEERC Conference to be held in 2025 in Sarajevo: <ol style="list-style-type: none"> Increasing energy efficiency of existing facilities and increasing renewable energy capacities (wind and solar) by 2030. New technologies and methodologies in the fast decarbonization of the energy and environmental system. Development of the electricity market, balancing, and dynamic regulation (dynamic tariff system). Resilience issues of the electric power system in the SEERC region (cybersecurity, equipment resilience against climate change, etc.). Digitalization of the electric power system (artificial intelligence, sensor technologies, innovative technologies, etc.). Dates & Deadlines for Paper Submission Selection of Chairs and Co-Chairs & Paper review process History panel at Conference (Bakič, Pompili) WIE & NGN panel at conference Sponsorship, Exhibition 	Sabina Dacić-Lepar

May 27, 2024, Monday 10th TAC Meeting

12,30-12,45	RWGs Issues RWG04 & RWG History of Electricity proposals	Krešimir Bakič
12,45-13,00	SEERC Questionnaire	Massimo Pompili
13,15-13,30	Closing Remarks	Edhem Bičakčić
13,30-14,30	Lunch in the Hotel Croatia	All
14,30-15,00	Coffee break	All
15,00-19,30	City tour – guided walking tour through Dubrovnik	All
20,00-22,30	Dinner in Cavtat	All

➤ **Information from joint MB+TAC Meeting in Ljubljana**

28th of February 2024, 13:00 to 17:00 (CET) Ljubljana, Slovenia

- **Presentation of Mr. Philippe Adam, Secretary General of CIGRE**
- **Information about the establishment of the MB+TAC**
- **Election of the TAC President**
- **Report by conveners on existing working groups**
- **New members of SEERC, conditions for membership**
- **SEERC Questionnaire**
- **Establishment of new working groups and appointment of conveners**
- **Consideration and definition of preferential topics for the 5th SEERC conference**
- **The presentation “Resilience of Electrical Grids, State of Art, Best Practices and Operational Aspects” by Massimo Pompili**
- **Suggestion to select the top papers from the 5th SEERC conference for**

➤ 5th SEERC Conference – Sarajevo, June 2025

- **Conference Dates**
- **Conference Venue**
- **Final definition of topics for the 5th SEERC Conference to be held in 2025 in Sarajevo**
 - 1) Increasing energy efficiency of existing facilities and increasing renewable energy capacities (wind and solar) by 2030
 - 2) New technologies and methodologies in the fast decarbonization of the energy and environmental system
 - 3) Development of the electricity market, balancing, and dynamic regulation (dynamic tariff system)
 - 4) Resilience issues of the electric power system in the SEERC region (cybersecurity, equipment resilience against climate change, etc.)
 - 5) Digitalization of the electric power system (artificial intelligence, sensor technologies, innovative technologies, etc.)
- **Dates & Deadlines for Paper Submission**
- **Selection of Chairs and Co-Chairs & Paper review process**
- **History Panel at Conference (Bakič, Pompili)**
- **WIE & NGN Panel at Conference**
- **Sponsorships, Exhibitions**

2-4 June 2025

June 2 (Monday afternoon) : MB &TAC Meeting

June 3 (Tuesday): **Opening Ceremony (including Handover Ceremony of SEERC Charirmanship),**
Keynote Speakers
Paper Presentations: Oral & Poster by Topics (part I)
History Panel

June 4 (Wednesday): **Paper Presentations: Oral & Poster by Topics (part II)**
Paper Presentations: Oral & Poster by Topics (part III)
WIE & NGN Panel
Closing Ceremony

OR

16-18 June 2025

June 16 (Monday afternoon) : MB &TAC Meeting

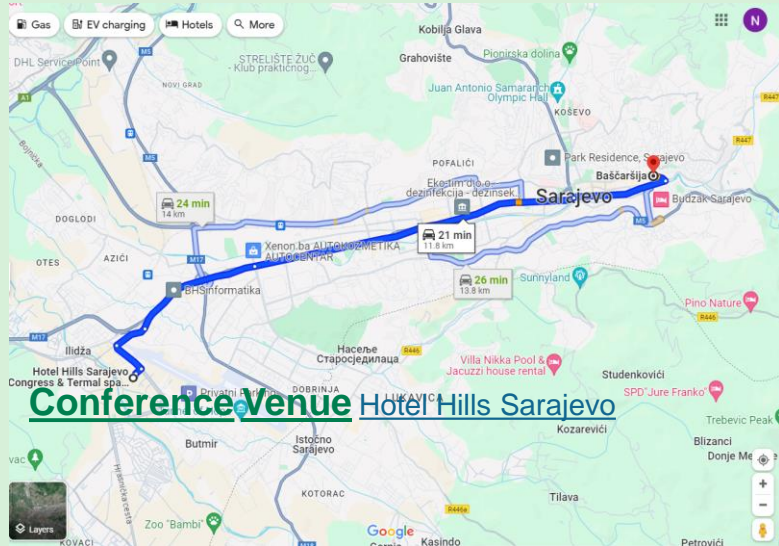

June 17 (Tuesday): **Opening Ceremony (including Handover Ceremony of SEERC Charirmanship),**
Keynote Speakers
Paper Presentations: Oral & Poster by Topics (part I)
History Panel

June 18 (Wednesday): **Paper Presentations: Oral & Poster by Topics (part II)**
Paper Presentations: Oral & Poster by Topics (part III)
WIE & NGN Panels
Closing Ceremony

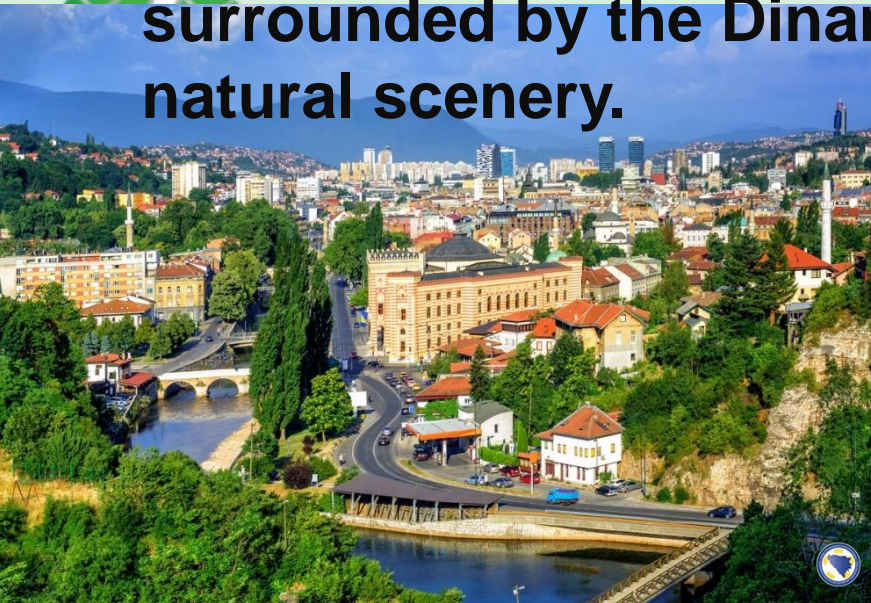

➤ 5th SEERC Conference – Sarajevo, June 2025

Welcome to Sarajevo

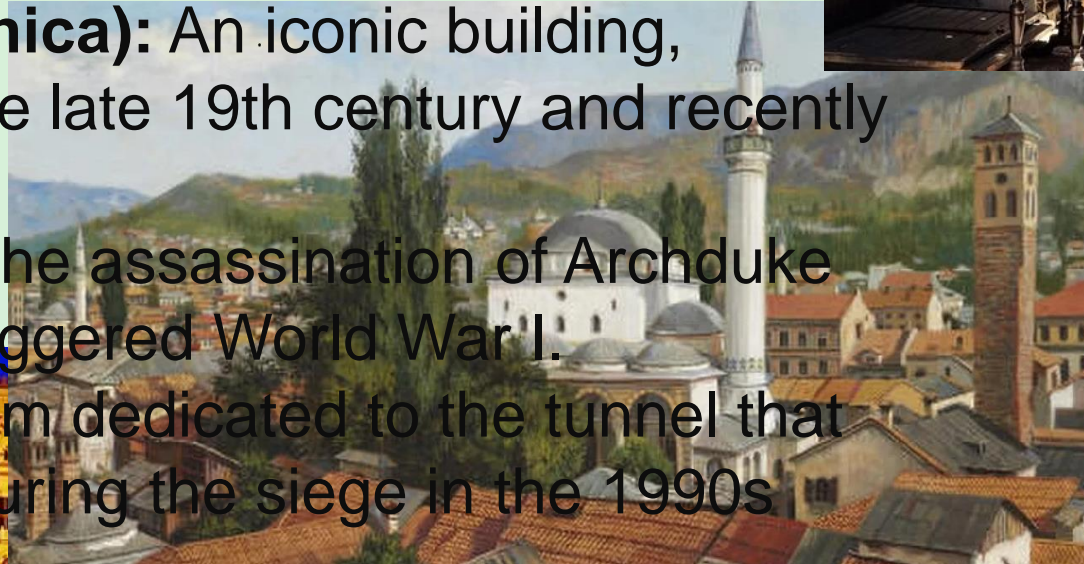

11 km from City Center and Old Town

- ❖ Sarajevo is the capital and largest city of Bosnia and Herzegovina.
- ❖ It is known for its rich history, cultural diversity, and unique blend of Eastern and Western influences.
- ❖ Sarajevo is often called the "Jerusalem of Europe" due to its historical religious diversity.
- ❖ The city is situated in the Sarajevo Valley, surrounded by the Dinaric Alps, offering stunning natural scenery.

Main Attractions of Sarajevo

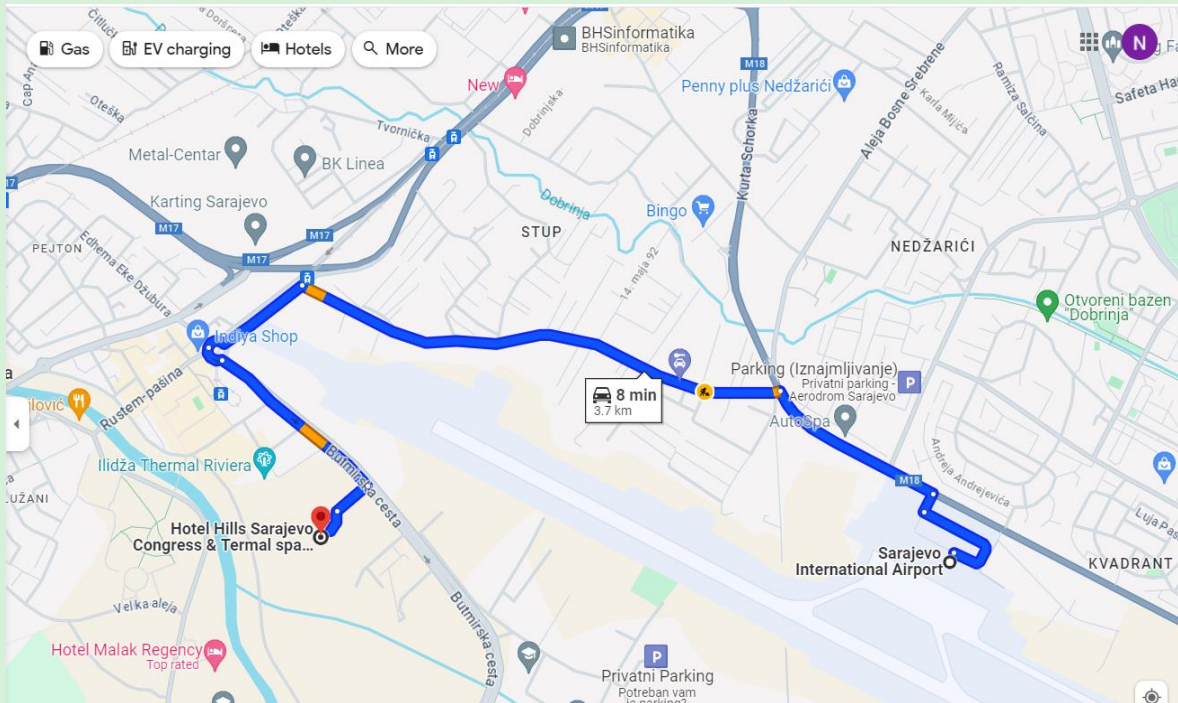

- ❖ **Baščaršija:** The historic old bazaar and cultural center Sarajevo, with traditional shops and restaurants
- ❖ **Gazi Husrev-beg Mosque:** A significant Ottoman-era mosque, showcasing beautiful architecture
- ❖ **Sarajevo City Hall (Vijećnica):** An iconic building, originally constructed in the late 19th century and recently restored.
- ❖ **Latin Bridge:** The site of the assassination of Archduke Franz Ferdinand, which triggered World War I.
- ❖ **Tunnel of Hope:** A museum dedicated to the tunnel that was a lifeline for the city during the siege in the 1990s

➤ 5th SEERC Conference – Sarajevo, June 2025

• Conference Venue [Hotel Hills Sarajevo](#)

Hotel Hills, Thermal & Spa Resort Sarajevo is a new five star Hotel that has attractive location in the center of the green oasis of Sarajevo and within 3 km from the International Airport Sarajevo and cca. 10 km from City Center and Old Town of Sarajevo (Baščaršija)

- 5) **Digitalization of the electric power system (artificial intelligence, sensor technologies, innovative technologies, etc.)**

- **Conference Chairs**

- ✓ **Honorary Chair/s?** – to be decided – **proposals ??**

- ✓ **General Chair:** SEERC Chairman

- ✓ **Technical (Program) Chairs**

- TAC President

- 1 Chair and 2 Co-Chairs for each Conference Topic – to be decided – **proposals ??**

- ✓ **Publications Chair** - to be decided - **proposals ??**

The full set of papers (“The Proceedings”) is compiled before the conference and distributed in digital version prior/after (to decide) the Conference to all registered participants and (if agreed within MB) in limited number to the SEERC members NCs.

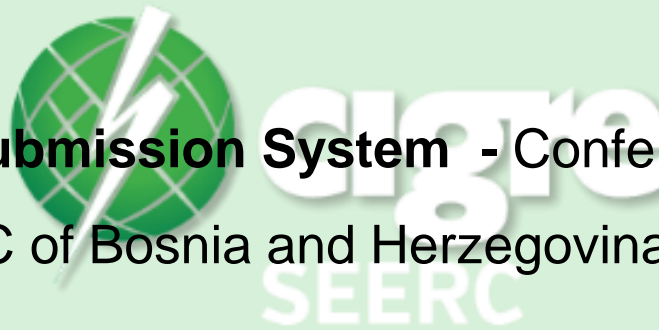

The TAC chairmanship shall endeavor to provide for publication of outstanding papers in the CIGRE Science & Engineering Journal or in the Journal B&H Electrical Engineering

• Conference Dates & Deadlines

- ✓ **Call for Papers (Synopses):** June 3 (june 17), 2024 on SEERC Website
- ✓ **Synopses Submission Deadline:** end of October?/November? 2024
- ✓ **Notification of Synopses Acceptance:** end of November?/December? 2024
- ✓ **Full Paper Submission Deadline:** end of January?/February? 2025
- ✓ **Notification of Full Paper Acceptance:** end of March 2025 ??
- ✓ **Conference Registration Deadline:** ??

- Paper submission and review process

- ✓ **Paper Submission Guideline** - to be prepared by TAC President and Publication Chair
 - ❑ The Guideline must include instructions for writing synopses, full paper template with all technical details (fonts, number of pages, citation forms and details, etc..)
- ✓ **Paper Review Guideline** - to be prepared by TAC President, Topic Chairs and Co-Chairs by the end of September
- ✓ **Synopses and Full Paper Submission System** - Conference and Event Management Software to be selected by NC of Bosnia and Herzegovina

History Panel

WIE & NGN Panel

RWGs issues:

RWG04 – appointment of new Convener

RWG History of Electricity proposals

- **Sponsorships**

Different sponsorship arrangements :

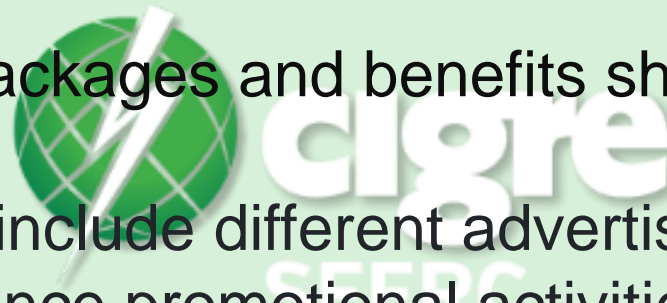

- ❖ General sponsor
- ❖ Platinum sponsor
- ❖ Golden sponsor
- ❖ Silver sponsor
- ❖ Friend of the conference

Information on sponsorship packages and benefits shall be provided at the Conference Webpage

Each of the categories shall include different advertising options during the conference and in the conference promotional activities and communication channels.

Exhibitions

Details on how to participate as an exhibitor at the Conference shall be provided at the Conference Webpage

➤ Next TAC Meetings & Events

- end of August – During Paris Session **2024 ?**
- end of January?/February? 2025 - After Full Paper Submission Deadline
 - **Location: Rome, Italy ??** during
8th SEERC WORKSHOP - Resilience Of Electrical Grid
- Other TAC meeting/s if needed – regarding the 5th SEERC Conference and Regional Working Groups
