

5th SEERC Workshop - Resilience of Electrical Grid: The Green Transition University of Roma “La Sapienza”

SAPIENZA
UNIVERSITÀ DI ROMA

Massimo Pompili and Enrico Maria Carlini (Italy)
Krešimir Bakič (Slovenia)

2015

2015 – Marina di Ragusa – Workshop on «New ideas how to efficiently use new tech for future power systems»

2018

4th SEERC TAC MEETING
1st SEERC Workshop

Resilience of Electrical Grid: Events and Solutions
University of Roma "La Sapienza" - January 25-26, 2018

Second SEERC Workshop
Resilience of Electrical Grids:
"State of Art, Best Practices and Operational Aspects"
Virtual Meeting - January 26, 2021 (09.45-14.30)

SAPIENZA
UNIVERSITÀ DI ROMA

2021

3rd SEERC Workshop - Resilience of Electrical Grid: Events and Solutions
University of Roma "La Sapienza" - Faculty of Engineering, Roma
Roma, January 26-27, 2023

SAPIENZA
UNIVERSITÀ DI ROMA

SOUTH EASTERN EUROPEAN REGION OF CIGRE
SEERC

2025

4th CIGRE SEERC Grid Resilience Workshop - January 23, 2025

**“ENHANCING POWER GRID RESILIENCE: OPERATIONAL AND PLANNING EXPERIENCES IN
TRANSMISSION & DISTRIBUTION GRIDS AND GENERATION FACILITIES”**

University of Roma “La Sapienza” - Faculty of Engineering, Via Eudossiana 18, Roma

5th SEERC Workshop - Resilience of Electrical Grid: The Green Transition

University of Roma “La Sapienza”

Proposal for special topics

- Cybersecurity
- Terroristic attacks
- Renewable penetration (blackout of North Macedonia and Spain/Portugal)
- Storage

Proposal period: end of January 2027, i.e. 19-20 or 26-27 January 2027
